Yankee Capital Will Build Railroads and Develop Rich Regions.

Angora.—The Turkish nationalist assembly has ratified the so-called Chester railway and mining concession.

(BY ASSOCIATED PRESS.)

Negotiations for the "Chester concession" in Turkey, which includes the development of the Mosul oil region, and the construction of a 1,200 miles of railroad in the Mesopotamia fields, were first instituted by President Roosevelt. It takes its name from Rear Admiral Colby M. Chester, now retired, who was sent to Turkey in 1908 to obtain the concession. The concession is a valuable priority right in the Turkish oil producing district. The former Turkish government some time ago approved the grant, but the action by the nationalist government at Angora has been awaited.

American capital would be used, under the agreement, to extend the Baghdad railway to the borders of Persia, while rail connections would be afforded to the chief cities of Turkey. The Mosul oil field has been a bone of contention between Great Britain and the United States for some time, and at the Lausanne conference, the British delegation was especially insistent that its claim to the territory be recognized.

TERMINATES YEARS OF EFFORT BY AMERICANS

(BY ASSOCIATED PRESS.)

London.—Approval by the Angora government of the Chester project marks the termination of many years of effort by American interests, headed by Rear Admiral Colby Mitchell Chester, retired, of Washington, to obtain a concession for a railway and mining concessions in the interior of Turkey.

The main proposals of Admiral Chester and his associates, who in 1908 secured the concession, were for the construction of a railway, the reconstruction of Angora upon the lines of a modern American city, the building of ports and quays and the development of the rights throughout those portions of Asia Minor still undeveloped.

Payments for this extensive development of the interior of Turkey, given by the Turks in the form of mineral, oil and other concessions. It is expected the American corporation, called the American Development Company, will be completed for many years in this work, giving employment to thousands of natives as well as to many American technicians.

New York.—President Eugene C. Grace of the Bethlehem Steel corporation Tuesday announced an increase in wages would become effective in the manufacturing plants, April 16. It is expected to correspond to the 11 percent increase announced Monday by the United States Steel corporation.

I Want to Sell My Farm

But I don't know where to get in touch with a prospective buyer. Maybe I would exchange it for city property or for an automobile as part payment.

I haven't the time to look for a buyer yet other business demands that I dispose of it in short order.

'King' Will Return for Trial, Claim

(BY ASSOCIATED PRESS.)

Beaton Harbor, Mich.—Benjamin Purnell, self-styled "Younger Son of God," and the "seventh messenger angel" of Revelation, and head of the Israelite House of David here, will return to face state investigators and pending court actions according to his followers.

Sheriff George Bridgeman, who has been trying for several weeks to locate "King Benjamin" to serve papers in court action brought by two former feminine disciples, reported last week that Benjamin could not be found. The two girls, sisters, are suing for \$100,000 each, alleging immoral practices by the head of the Israelite House of David.

"Benjamin will appear at the proper time, to their shame and despair," James Tucker, one of Benjamin's "inner circle" declared Monday night.

"Read the 13th verse of the 11th chapter of Revelation," another member of the sect advised.

This message referred to relates to St. John's vision of the manner in which the "seventh angel" would summon the tribes of Israel for the "ingathering" and says:

"And in that hour there was a great earthquake, and the tenth part of the city fell and there were killed in the earthquake 7,000 persons and the rest were afflicted and gave glory to the God of heaven."

Purnell and his followers believe that when their cult numbers 12,000 persons, they will become the chosen people and inherit the earth, attaining everlasting life.

PLAN CONFERENCES ON PROPOSED TAX LAW ALTERATIONS

OPPOSITION TO BLAINE GROUP PROGRAM TO BE STIFFENED.

CENTER ON TAXES

Highway Proposals Also to be Discussed, Senate Leader Declares.

(BY ASSOCIATED PRESS.)

Madison.—Conferences on important pending legislation involving changes in highway and tax laws and some of the proposed labor measures, are being planned by stalwart senators, Senator W. L. Smith, Neillsville, one of the leaders, said Tuesday. The stalwarts, he declared, intend to intensify their opposition to legislation being fostered by the La Follette-Blaine group.

The tax problem especially will receive the attention of stalwarts, according to the senator, who said that the group he represents intends to be "fair in their attitude toward proposed changes in revenue laws."

Failure to Solve Problem

"We need, however," declared, "that the government's bill and the measures backed by Senator Severn and Speaker Dahl, come a long way from solving the revenue problem."

"None of these bills meet the problem squarely. They would seem to place an undue burden upon industry and to be unjust in the distribution of revenue. It is not our intention to oppose any equitable measure."

Senator Smith pointed out that the stalwart group in the upper house had defeated practically all important moves made by the La Follette-Blaine faction during the

SOVIET PROSECUTOR IS BLOODTHIRSTY

WITH THE FARMERS
Farm Bureau Official Information

WHY REJOIN F. B.?
BY C. B. HUTCHINGS

Organization Is Keynote of Every Modern Business of Today.

The real question is not why should the farmer join the Farm Bureau, but rather why should any farmer fail to join the Farm Bureau? The answer is the key to business today; every form of business has its own trade association, whether it be grocers, bankers, steel mills, coal mines, exporters, or publishers. Such organizations can and do protect the interests of the members far in excess of anything which could be done by the several individuals.

Any man who meets a thug on a dark night would be foolish to fight at his opponent with his fingers extended; only by doubling them up into a solid fist can he hope to produce any effect other than hurting himself. So it is only by effecting a solid union of the farmers that effective pressure can be brought to bear for the solution of agricultural problems. The work and efforts of individual farmers toward the solution of such pressing problems as credit, transportation, orderly marketing, tax reduction and interpretation of price movements are all helpful but far short of the possibilities of organized and united effort.

And has the Farm Bureau actually realized these possibilities? The answer to this question is found in the establishment of grain and livestock marketing organizations, its co-operation in the development of a cotton marketing company, and the committees now studying the same problem regarding fruits and dairy products; in the enactment of the emergency tariff and the re-establishment of the war finance corporation, in the 10 per cent reduction in freight rates, and in the growing understanding throughout the country of the farmer's problems. Further, the state and county farm bureaus are today writing a new record of achievement. Does anyone imagine that the farmer unorganized could have accomplished such results? Or that the farmer organized has not been benefited many times more than his cost?

Accordingly a farmer should join the Farm Bureau because it will do for him the things he wants to do but which he cannot do without the co-operation of his fellow farmers. He should join the Farm Bureau because it can and does employ experts to protect him from coming evils and to secure valuable and helpful benefits to agriculture. I should join because I could not conscientiously accept these results unless I do my share in securing them. I should join because I believe in a better agriculture and a substantial economic justice in its new day. I should join because I approve the work the Farm Bureau has done and because I believe similarly valuable work will be done in the future. Finally I should join because the Farm Bureau is marching forward to victory and I want to be a part of this great movement.

Janesville Man
Named Delegate
at C. E. Session

Arthur Schultz, Janesville, president of the district association of Christian Endeavor, was chosen as the delegate to the International convention at Des Moines in July at the closing session of the county convention, held Saturday and Sunday at the Shoppers' Congregational church. Despite the weather more than 100 persons were present at the meeting from Deloit, Clinton, Janesville, Milton and Shawano.

A. A. Alexander, Milwaukee, state president, was unable to be present. President Irene Fisher, Janesville, presided. Louise McKay, Clinton, is secretary and treasurer of the county organization.

Regular church services were attended Sunday morning, with the Rev. A. H. Bushnell, Deloit, preaching. A picnic dinner followed in the church parlors. In the absence of Mr. Alexander, Miss Nellie Saunders, Janesville, state efficiency superintendent, talks on the Four Square program and Mr. Schultz on the Christian Endeavor work. Miss Violet Holt, Delavan, district work superintendent, led the song service and the Rev. Mr. Bushnell, the devotional exercises. Talks were made by Miss Helen Jordan, Milton; Margaret Battcock, Milton; Violet Holt, Delavan; Louise McKay, Clinton, and Harriet Gillingham and Arthur Schultz, Janesville.

400 Doctors Will
Tour Eastern U. S.

Three Janesville physicians, Drs. T. W. Nuzum, G. C. Waucho and W. A. Munn, will go on the eastern tour of 400 members of the Tri-State Medical society which starts from Chicago, Sunday.

A special train will convey the surgeons on the two week trip through the east to which the principal cities will be visited and to see the wonders of modern surgery at clinics held especially for their benefit.

On the itinerary are Cleveland, O.; Yale university, New Haven, Conn.; Harvard university, Cambridge, Mass.; Baltimore, New York city and Philadelphia.

TRAVELERS PLAN
BOOSTER MEETING

United Commercial Travelers' association will have a booster meeting and supper May 5, it was decided at a meeting Saturday night in East Side hall at which time officers were installed. Past Senior Counselor Percy Munger, as installing officer, took charge of the ceremonies. The following took office: Senior counselor, J. M. Hensley; junior counselor, E. H. Barker; past senior counselor, E. F. Hemminger; conductor, J. A. Osen; guard, A. A. Fink; sentinel, W. E. Clifton; secretary-treasurer, C. E. Coy; trustee, Mayor T. E. Welan and F. A. Spoon.

Dr. Woolf returned Monday from Chicago where he has been for the past three days doing special work at Cook county hospital.

Business Better
at Gossard Plant

Business conditions with the H. W. Gossard company are the best since 1920 according to current reports and at the local plant a force of more than 100 persons is being employed turning out daily more than 200 dozen garments. The increase in business has been gradual which is regarded as a good sign indicating permanency.

BOARD ALLOWS \$1,500
BUT STILL CLAIMS
CULLEN BILL HIGH

(Continued from Page 1)
The last statement is worded in such a way that if arbitration is asked for, or if the statement is refused by the general contractor, it can immediately be withdrawn by the board. If it is accepted by him, however, the whole matter is closed.

Harmon Asks Amenity.
Capt. Ralph Harmon made a request on behalf of the Tank company.

for use of the old high school building as an armory. He advanced several plans—one to use only the gymnasium as an armory, paying the board rent, thus saving the remainder of the building for any use as a school which the board wished to put it; another to make the building a memorial to the soldiers, giving the Tank and Cavalry companies the use of the gymnasium, two or three club-rooms and the assembly hall, using the other rooms for lockers and club-rooms, now homeless or in inadequate quarters. No action was taken on this request.

Plans for Grading Land.
Grading of the large lot to the north of the new building will start within the next two weeks. There

was considerable discussion, Monday night, as to the amount available and the best manner of doing the work. Out of the last \$22,000 allowed by the council for cafeteria equipment and other matters, there will be about \$6,000 remaining for this grading work. As a result of the board discussion, the matter of the proper height will be thoroughly gone into before the grading is started, so that water will not seep up from the river and spoil the grounds. The present plan is to have the lot continue for 30 feet from the sidewalk toward the river at the sidewalk level, then to have a three-foot drop which will continue the width of a regulation athletic field, then again a three-foot embankment to the river. The field

will drain toward the northwest. Plans for shrubs and what trees will remain are being made.

This work will probably be done by machine, in which way \$1,000 can be saved, according to President Jesse Bartle.

Payment was ordered on the certificate of the Wisconsin Electric Sales company for \$3,485, the first payment on the lighting fixtures contract.

Delay in securing the cafeteria equipment is being caused because of the great number of propositions being made, and the different lay-outs, making difficult a comparison for the best price. Architect Van Ryn is making drawings for the gymnasium seats.

CITY RESIDENTS IN
FOR NEW PIG CLUB

In the city of Janesville 102 business men have signed pledges to take part in the new Rock county pig club, patterned after the successful club in Lee county, Iowa. With all cities and villages co-operating it is expected about 300 pigs will be distributed among the boys and girls of the townships under contract. Clinton has 25 pledges, with reports to be made from Evansville, Madison, Milton, Oshkosh, Rockville and other districts within the county.

It is probable that delivery day for the dairy calves for the junior club, scheduled for April 14 here, will again have to be postponed because of unfavorable traveling conditions.

OH ROCK CO., LOOK!
HERE'S 20 LITTER

Monroe county steps to the front in the large litter contest. A Chester White brood sow, owned by Ralph Rhyme, Deloit, recently farrowed a litter of 20 pigs, every one normally developed. Another sow from the same herd farrowed 17. The mother of the 20 pig litter is a 3-year-old registered animal.

PROPOSE DAIRY TRAIN
TO ADVERTISE STATE

The Wisconsin Livestock Breeders' association, of which J. C. Robinson, Evansville, is president, and Field Murray, Madison, secretary, is considering sending a Wisconsin dairy exhibition and demonstration train in the north and southwestern states, advertising Wisconsin's greatness as a producer of quality stock.

In addition, the state breed associations, the Badger college of agriculture, Wisconsin department of agriculture and the railroads are planning the plan to focus attention on Wisconsin.

ARNOLDS ENTER IN
TON LITTER CONTEST

The latest entry for the Wisconsin ton-litter contest among Rock county swine breeders is that of F. Arnold & Sons, Duroc-Jersey breeders.

Chas. Winniger
Coming, Apr. 16

In what will be a "triumphant return" to this state, Charles Winniger will visit Janesville next Monday night with a new musical comedy, "As You Were." In the company also will be Winniger's wife, Blanche Ring, herself a star in musical comedy.

Charles Winniger is a native of this state, one of the famous family which also produced Frank, John and Adolph. These three have now formed separate companies and are playing repertoires, mostly within the boundaries of the state. Charles alone struck out for a larger field and there made a great success, partly due to his wife, who is a "discovery" hit.

It will be at the Myers theater that a Wisconsin audience will again greet this star, absent from the state for many years, and doubtless there will be many in the audience who remember the days when the Mothers traveled together and were seen on that same stage. Charles, however, has played here since he has been doing "big time."

City Cash Still
Around \$700,000

While city disbursements during March amounted to \$229,332, the receipts totaled \$156,824, so that City Treasurer W. J. Lenarz found himself in charge of a balance of \$696,805 on April 1, as compared to \$729,301 at the end of March. According to his monthly report to the city council.

The balance is distributed among the various funds as follows: General, \$337,180; water, \$7,725; board of education, \$14,181; industrial school, \$14,279; library, \$8,807; new high school, \$170,621.

Disbursements in March were: General, \$187,710; water, \$6,810; board of education, \$22,320; industrial school, \$2,851; library, \$46; new high school, \$8,983.

Receipts were: General, \$157,833; water, \$7,725; board of education, \$33,639; industrial school, \$112; library, \$82; new high school, none.

WALWORTH COUNTY

ELKHORN

MRS. GRANT HARRINGTON,
County Seat.

Elkhorn—The present county secretary, T. M. C. A. J. H. Hoff, has resigned the office of county secretary. There will be a meeting of the Walworth county committee in Elkhorn, next Sunday to select a successor to Mr. Hoff.

Clinton Hees, a Holton and company employee, went to Chicago, Saturday, and returned to Elkhorn Monday evening with a bright and son, mixer, Monday, was one of the finest meetings the club has held. The capacity of the Nickel Plate Hotel was taxed and Ray V. Sowers, Milwaukee, made a particularly strong address. President Holton presided, for the first time in several weeks and resolutions of a congratulatory nature were unanimously adopted. The club has an extensive program of work outlined for the coming season.

John P. Knip, Spring Prairie, and Mary Williams, East Troy, will be married in Elkhorn, Wisconsin, April 16. William G. Olinick, Rhinelander and Dora A. Holly, Lake Geneva, will be married in Elkhorn, Wisconsin, April 16. William J. Rasmussen, Jr., and Anna M. Schenck, both of the town of Lyons, have also applied to the county clerk for a license.

Hugo Hauser, architect from Milwaukee, was in Elkhorn Tuesday looking over the Congregational church and conferring with the committee regarding the extensive changes and improvements contemplated. Mr. Hauser will draw tentative plans and submit to the building committee composed of A. J. Bell, chairman; Walter West, Laurel Swan, Charles F. Jones, Elkhorn, and George Harrington, Elkhorn.

The Senior High school band, under the direction of H. W. Hurch, gives a full program at Community hall, Elkhorn, Friday night, April 13, under the auspices of the Farmers' club, town of Geneva. There will be 37 players, with Clayton McCall, cornet soloist, who has taken part in the tournament at two Elkhorn in June. Mr. Hurch may decide to take the band to the National Tournament in Chicago, which comes later, if they are successful in raising funds.

Dr. Fred Taylor, an Elkhorn, Wisconsin, county resident, has lived in Neenah for 27 years practicing dentistry. Mr. Taylor lately sold his home and practice and is looking for a location in southern Wisconsin. Mrs. Mary Plack returned to her home, West Walworth street, Saturday, the residence having been rented, during the winter.

Mr. and Mrs. Harry Schiebo Spring Prairie, were at Elkhorn, Sunday, for the christening of their son, Merle Frederick. His sponsors were, Fredrick, Elkhorn, Elkhorn, and Della Smith, Elkhorn. Mr. and Mrs. Schiebo gave a dinner later, including 10 guests, with several friends from Elkhorn.

Mrs. Will Foster is packing her household goods and will join Mr. Foster in St. Louis by May 1, the date she gives possession to the new owner, Charles Randall.

P. I. Purdy was operated upon for appendicitis last Saturday at St. Mary's hospital, Milwaukee. Mr. Purdy is doing well. His sister, Mrs. George O. Kellogg went in Monday to see him.

The county council of the American Legion met Sunday afternoon and decided to sponsor a county Fourth of July celebration. It will be held in Elkhorn and it is expected that organizations throughout the county will unite in the observance.

The W. C. T. U. has the April program on Christian Citizenship. It meets with Mrs. T. P. Hillhouse at 2:30 p. m., Friday, April 13. Helen Martin will give a talk on "Our Youth" and Mrs. Grant Harrington will read a paper on "A Citizen's Duty."

The O. E. S. holds its regular bi-monthly meeting Tuesday night, April 10. At the close, a committee of the following men serve refreshments: C. H. Wiswell, J. G. Voss, H. J. Charlton, H. E. Hartwell, W. C. Norton, E. P. Ellsworth and L. W. Swan.

The Amateurs Circle will hold its monthly supper and meeting Wednesday at 6:30 p. m. Mrs. Earl Deuter and Misses Hazel and Florence Spinner and Mabel Ferris will be co-hostesses and will serve. They will take up phases of negro education in the southern states.

Chila Welfare Week. Bertha Bechtel, went to Sharon Sunday to be ready for the opening on Monday of the Child Welfare work that was planned for Walworth county the present week. It is expected that "hospital on wheels" is expected to make the tour as published, however.

How You Can Remove Every Trace of Hair (Toilet Talks).

A stiff paste made with some powdered delatone and water spread on a hairy surface about 2 minutes after when removed, take every trace of hair with it. The skin should then be washed to free it from the remaining delatone. No harm can result from this treatment, but be sure it is delatone you get and you will not be disappointed. Mix fresh as wanted.

WHITEWATER

MISS ALICE MARSH,
Phone 232-14.

Whitewater—The golden wedding anniversary of Mr. and Mrs. Orson L. Howard was celebrated Friday, April 6, at their home, 767 Milwaukee street. They were married fifty years ago at West Halborn, and much of their wedded life has been spent in that fine farming community. One year they lived in Port Atkinson, they came to Whitewater in 1918 and bought the home where they now live.

All their five children, and nineteen grandchildren are living. Three never have been a break in the family circle, and all were present Friday, excepting Donald Pollock of Milwaukee, and Robert Howard, both grandsons of Dundee, Ill.

Their five sons and daughters are Mrs. Mae Pollock, Whitewater; Mrs. Helen Weaver, Milford; Arthur Howard, Dundee, Ill.; Mrs. Jennie Matthews, Whitewater; and Frank Howard, who is on the Howard farm.

A family dinner, for forty relatives and guests, was served at 12:30, and 45 of their old neighbors and friends, called during the afternoon and were served with ice cream and cake. The house was decorated with flowers, mostly yellow flowers, gifts of friends, and there were expressions of congratulation by telegram and many gifts, including gold coins. A photograph of Mr. and Mrs. Howard was taken for remembrance of the day. Mr. Howard's sister, Mrs. A. W. Rasmussen of Abundant, S. D., also sisters and brothers and other relatives from other cities, came for the occasion, including Mr. and Mrs. J. W. Howard, Geneseo, and Mrs. L. L. Goodwin, Woodstock, Ill., and Miss Evelyn Pollock, from the Madison General Hospital, Madison.

Those who were present 58 years ago, and again last Friday were Mrs. A. W. Rasmussen, and J. O. Stevens, Mr. and Mrs. Ira Howard, Mrs. A. P. Rasmussen and Harry Curtis, all of Port Atkinson. Others from Port Atkinson were Mrs. Harriet Curtis, Mrs. P. Rasmussen, Mrs. Ruth Friedel, Miss Ethel Hubbard, Messrs and Mrs. Aldo Hubbard, Henry Saur, Wallace Whitney, and Clarence Whelan. Also Bert Whelan of Port Atkinson.

Mrs. Howard was 70 years of age, Aug. 7, 1922, and her husband 72, June 13, 1922.

ROAD TAX BILLS DECLARED UNJUST

Variety of Views Expressed at Hearing Held in City Hall.

Difference of opinion between city and rural districts was evident at public hearing held in the city hall, Monday night, called on the proposed state legislation to raise revenue for highway work by a gasoline tax and license fee on motor vehicles on a weight schedule. At the end of the session it was agreed City Attorney Foster Cunningham will call a conference, Tuesday, at Madison to meet with the legislative committee of the Chamber of Commerce here during the evening.

The hearing was held in Madison, Wednesday afternoon. The chief discussion was between those representing the county and those from the city on the proper method of apportionment of the funds raised, whether the city should receive back a percentage or the entire amount for the state trunk or secondary county highway work.

What Are "Rural" Roads?
The decree with which Janesville will oppose the proposed highway law depends on the basis of the interpretation of the term "rural highways." The proposed bill provides that \$2,000,000 to be raised will be distributed among counties on the basis of their mileage of "rural highways." In the event roads other than county highways or improved lines is meant, the southern and more wealthy counties will be seriously handicapped for the less settled northern counties have more unimproved roads.

"I believe in building up the roads of the state with a Wisconsin as a unit," declared Charles E. Moore, county highway commissioner. "It is a fact that when we build good roads we build the cities. We do not want to narrow the state's road building program to a few counties, we want it state-wide. We in Rock county are interested in good roads in neighboring counties and even in through state roads."

"The chief question is whether the state is going too fast with its road building program and raising too much money. If the road business goes slow during the heavy burden of taxation and pay special attention to the needs as compared to the amount to be raised."

Cities Must Pay
"There is no question but what the cities will have to pay a large percentage of the cost of the roads in the country district," stated George Woodruff, Janesville supervisor. "It was the cities that carried the bond issue and which is fair or not, it is a fact that the cities must bear a big part of the costs of building concrete lines."

Both the county and urban representatives agreed that there should be provided for that would allow the use of state road money for building the state trunk lines through cities by the granting of the same amounts to the municipalities as to the county.

City Attorney Cunningham contended it was unfair to raise a large revenue in the southern counties and then have it spent in northern counties.

The proposed schedule calls for about \$2,000,000 for the two cents a gallon gasoline tax and about \$8,000,000 on the weight license fee. Raising of the revenue in this manner, it was said, reduced the direct tax levied for roads by both the state and counties.

Farm Fuel Exempt
"The thing I see wrong in the bill is that Janesville motorists will buy gasoline in Wisconsin and pay the tax, while in Beloit they will buy in Illinois and not pay the tax," declared Oscar Nelson, manager of the Chamber of Commerce. "The Beloit dealers are going to be 'out-of-luck'."

Question was raised whether the "rural" tax could be enforced on farmers are exempted from paying the tax to the dealers on gasoline used for tractors and farm engines, and supposed to pay the tax on all fuel for the motor car.

"We do not segregated roads in Wisconsin," expressed George A. Jacobs, road commissioner. "If the city wants to put a tax on cars for streets, all right, but don't confuse with legislation to raise funds within the city for rural highways."

No agreement could be reached on the just distribution of highway revenue. Beloit has protested the highway bills on the grounds they would discriminate against the border cities. Mayor T. E. Welsh presided. There were 25 present, including four members of the new council, C. Starr Atwood, J. J. Jensen, Andrew J. Gibbons and George A. Jacobs.

One of the paramount issues, it was agreed, was that Wisconsin could obtain many millions from tourist travel.

"While these tourists are attracted by the scenic Wisconsin, the main reason they come is because of Wisconsin's road system," it was said. "Easily one-half of the traffic in Rock county during the summer months is tourists. The state should derive some revenue from the tourists to build and maintain her highways."

10 TRIAL CASES FOR SUPERIOR TERM

There will be about 10 cases for trial during the U. S. court term for the western Wisconsin district in Superior starting April 17, according to Assistant U. S. Attorney Stanley Ryan. All the cases involve alleged violations of the prohibition and narcotic laws.

LOCAL BRANCH OF COLLEGE WOMEN'S ORDER PROPOSED

Interest among Janesville college women in a local branch of the American Association of University Women will be started next Monday, when a luncheon will be held at noon at the Colonial club, at which any woman who attended any accredited college is invited. There are now more than 200 active branches and it is felt Janesville contains enough women to start a branch here. The object is to foster education and to urge young women to further their education. In Wisconsin have been started at Appleton, Beloit, Fond du Lac, Kenosha, La Crosse, Madison, Milwaukee, Oshkosh, Ripon, Superior and Wausau. Annual dues are \$2.

Miss R. Louise Elch, Washington, D. C., editor of the official journal of the association, will be the speaker.

Any woman who has entered college—any of those on a list of 200 accredited ones—is invited to the luncheon and is eligible for membership. Attending the luncheon will not necessitate entering the association, however, as this affair is given only to acquaint Janesville women with the work being done and to determine the interest there is locally.

Reservations may be made with either Mrs. Horace Blackman or Miss Sarah Sutherland.

Penichen Back to Milwaukee

William Penichen, since October, 1921, manager of the Park street garage for the Janesville Sand and Gravel company, has been transferred to Milwaukee and will be superintendent of the three plants of the Janesville Sand and Gravel company being erected. Mr. Penichen was located in Milwaukee with the Janesville Sand and Gravel company before coming to Janesville. He is a member of the Janesville Lions club. Lawrence W. Kramer, a salesman for the garage, has succeeded Mr. Penichen as manager.

TEST RURAL PUPILS FOR SILENT READING

Miss Anna Nelson and Miss Louise Jacobson, Rock county supervisors, are completing figures on a silent reading test which will show something interesting on the mental age of the boys and girls of the various grades in Rock county rural schools. The figures will be given out at the rural school teachers' conference here, Saturday.

FIRST COMMUNITY CONCERT, APRIL 15

Band to Appear on That Date, With Macdowell Club, April 22.

Postponement of the concert to be given by the Power city band at the high school auditorium is announced by the music committee of the Chamber of Commerce. The concert will take place on Sunday, April 15. The second concert series, arranged by the Macdowell club, will be held on April 22. The final concert, by the boys' choir of the high school and the orchestra of the school for the blind, will be on May 5.

Watch Taxi Drivers
Taxi-drivers should be compelled to obey traffic laws, says Oscar N. Nelson, manager of the local Chamber of Commerce. He declares they are "tearing through the streets at breakneck speed."

In an announcement, he says: "If anyone sees a violation of the speed ordinance by a taxi driver, get the license number and enter a complaint. Don't wait until some youngster pays for this infraction with his life."

60 Given Jobs
During March, 105 persons applied for work at the local Chamber, according to a report just given out. Among this 60 jobs were listed. In the same month, there were 16 applications for room and board for houses or flats, but only eight new listings were made of rooms and 15 houses and flats. A total of 519 information calls were answered.

GIRL BALL PLAYERS TO BANQUET, TUESDAY

CITY NEWS BRIEFS

Meet Thursday Night—The declaratory and oratorical contest at the high school Tuesday night, to determine representatives for the school in the Beloit contest, probably will be open to the public, although arrangements have not yet been completed. The contest is to have musical numbers in addition to the four declamations and two orations.

Miss Hanson at Convention—Mrs. E. J. Hanson, supervisor of music at the high schools, is taking charge of all the high school music work this week in the absence of Miss Gerald Hanson, supervisor for the entire city, who is in Cleveland, attending a national convention of supervisors. No girls' club meetings are to be held all week, and the work in the grades will be conducted by the teachers.

To Peoria April 20—Ralph C. Jack, leader of Janesville's two high school bands, will go to Peoria, Ill., April 20, when he will conduct the performance of last year and lead the bands there in the annual Jubilee, the event of the year for that city. Mr. Jack has had hasty travel to go to that city, concluding the civic band.

Faculty Here—More than 15 members of the faculty of Harvard, Ill. high school visited the local building Monday, spending the entire day on a tour of inspection.

Sermon Leads Chapel—For the second time this season the Rev. J. J. Scribner of the Congregational church here, was the leader at the Beloit college vespers services in the chapel Sunday afternoon. His topic

Classes Postponed—Classes in placement shade work and Italian cut work at the Y. W. C. A., which usually meet on Fridays, will have no meetings this week.

65 LIGHTS TO BE ERECTED IN APRIL

Work to Begin Next Week on Jackson and Main Street Extensions.

Special transformers for the rush-hour traffic lamps will be installed this week by employees of the Janesville Electric company, and work on erection of the 65 new ornamental lights ordered several months ago by the city council probably will be started next week, Manager William R. Schmiedley said Monday.

The standards are here and will be erected on concrete bases, as are the other lights of the newest type. Digging holes for the standards will be the first work.

This light will be put in on South Main street from St. Lawrence avenue to Racine street, and on Jackson street from Galena to Pleasant street. Three will be installed on Machine street to illuminate that portion near the high school.

Girl of Ghost Mountain

By J. ALLAN DUNN

Author of "A Man to His Mate," "Rimrock Trail," "The Man Trap."

Copyright by Small, Maynard and Company, and published by arrangement with McClure Newspaper Syndicate.

SYNOPSIS. Peter Sheridan, young New York lawyer, returns to his ancestral home of Ghost Mountain, where he has a claim on which he and his cousin, Red Jackson, have been working for years. Peter, however, is a ghost. At the time of the town's founding, a ghostly figure, the "ghost" of the town, had been seen. Peter, the nephew of the town's founder, had been seen. Peter, the nephew of the town's founder, had been seen. Peter, the nephew of the town's founder, had been seen.

They found the stream first and let the horses rinse their mouths. Then, following up the current into a narrow ravine, a mere cut in the rock, walking now in, now out of the water, rushing fast from a pool some two hundred feet back from the plain; led by a spouting fall, leaping over a ledge fifty feet above their heads, they came to a place where the water was of the color untroubled by the moon. It covered the back of the cliff almost completely and the water, framed by the rock, placed and set. The water fanned out towards the pool and completely screened any suggestion of an entrance to the cave.

"This is the only waterfall along here or anywhere's high Ghost Mountain," said Jackson. "So this is it, though you'd never guess it. Darned if it don't seem foolish to butt your head against a wall like this must be solid rock behind the water, but here goes."

There was not room to slip around the edge of the fall; the ledge it stood on was not wide enough. Jackson charged fairly into the silver tumble, broke through and disappeared. The next moment he was out again, soaked, but triumphant. "Regular old Blackie's a steer's stumblin'!"

With the pine torches protected by the slicker carried on Jackson's saddle, they led their horse and buggy through the dripping spray. Sheridan produced matches and soon they held flaring lights that revealed a narrow tunnel, not particularly moist and with the air pure enough, a tunnel that Sheridan believed had been enlarged if not entirely fashioned by hand. "This theory was confirmed by the rude petroglyphs they passed, picture phrases chiseled in the rock and filled in with red and black pigments that held their color, for all the ages that had passed since the prehistoric chroniclers tried to link up their generation and its deeds with those to follow."

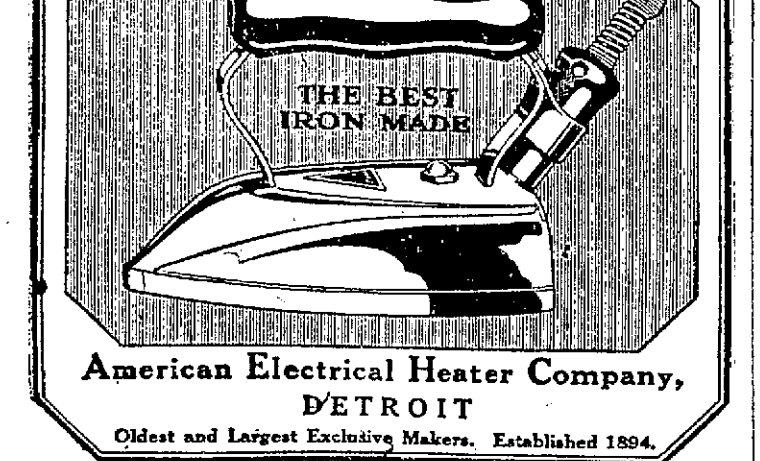

The floor rose at a stiff gradient. Occasionally one of the horses stumbled, its shoes striking sparks from the rock. A strong draft faced them. The tunnel turned abruptly to the left, widened, its walls opening upwards and overhead, they saw the sprinkled light of stars. Their eyes became adjusted to the gloom of this grim gorge that lay before them, and the light of the torches, which had been dimmed by the head scar of some titanic upheaval. Their torches were but small use now and they stamped them out. They were inside the mountain wall.

"a find"

Light a Harvester

The fact that other cigar lovers "discovered" Harvester long before you did will not lessen the satisfaction of discovering it for yourself.

Harvester's success has been won by its own true merit. The filler—a rare blend of all-Havana. The wrapper—choicest of shade-grown leaf. Workmanship—Consolidated's own. It's a cigar, men—a real one.

MILWAUKEE.—The American Bowling Congress tournament came to a close here Monday afternoon after a month of high scores. Three world's records were shattered and even though the prize list is greatly lengthened, scores that last year drew from \$10 to \$15 prize money will fall to place in the pay division this year.

The Nelson-Mitchell team of Milwaukee, establishing a new mark of 3,139 pins in the team event, won the major feature of the meet, the Claman Dairy Lunch team of Indianapolis being second with 3,115. This is the second time in the three years that the Indianapolis boys have been beaten out of first place after rolling better than 3,000 pins. In the last year, the Chicago team of 1931, the Chicago team of 1932, and the Chicago team of 1933, all of whom shot 3,095, topped them by 47 pins.

Doubles and All Events Records.
The second new world's record of the meet was made in the doubles event by C. Daw and W. Wilson, members of the Champion Nelson-Mitchell team counted 1,358, winning the duo event. G. Satorius and W. Holzschuh of Peoria, formerly held the record with 1,246, which mark they made in 1917.

The third new record was hung up in the all events by W. J. Knox of Philadelphia, 2,010, a mark that has never been equaled in the history of the C. B. A. competition, which he accomplished at Toledo in 1913, when he scored 2,010 for the nine game round.

Two other men, 1,000 made by B. Spingler of New York City, C. Daw of Milwaukee and M. MacDowell of Cleveland shooting 2,014 and 2,003 for second and third places respectively.

C. Baumgartner of Cincinnati leads the singles events with a total of 724, falling five pins short of the record made by W. Lundgren of Chicago last year when he rolled 729. Scoring in Monday's play was mediocre.

The minimum scores to receive prize money are approximately 2,031 in the five men event which will receive \$27, in the doubles \$138-\$13, in the singles \$58-\$56 in the all events, \$820-\$88. In addition to the capital prizes the members of the teams winning the five men and doubles events will be awarded gold, silver and bronz medals as well as the winners of the singles and all events.

In addition to the prizes for the leaders in the five men and C. P. Daw of Milwaukee carry off the first prize of \$500 in the doubles; C. Baumgartner, Cincinnati, who topped the singles drawing \$300, and W. J. Knox, the all-events leader will receive \$150.

1932 OLYMPIC GAMES GIVEN LOS ANGELES

Rome.—The Olympic games for 1932 have been awarded to Los Angeles. This date was the first available for the United States because the 1924 games go to Paris and the 1928 games to Amsterdam. The award was made by the International Olympic committee.

The American claim for the next available award for the games was presented to the committee by William May of Los Angeles, one of the American members of the committee.

Mr. Garland announced Los Angeles will have a stadium of 75,000, with all facilities for the comfort of the athletes.

Busy Man's Sport Page

By FRANK SINCLAIR

HERE is another case of a lad coming into his own to surprise those "in the know." Clifford Nelson, guard for the Rockford high school team which won second place in the national interscholastic basketball meet last Saturday at Chicago, got his opportunity when the regular guard was injured. Nelson was shot at the Illinois state meet. He showed his colors so well there that he was selected as an all-state guard. Then at Chicago, his work was so outstanding that he was chosen as an All-American guard.

ROCKFORD had more than a thousand rosters in the stands at Chicago. That one thing about the Rockford city, it stands strongly behind its high school in all athletics. During the basketball season, the seats are packed to capacity. During the football season, the crowds attending games are extremely heavy.

DISPATCHES from the training camps tell that Frank Nelson, a sophomore at Rockford, is a promising player. That is not what this paragraph is written for, however. It is to tell how the entire basketball writing staff is ready to give Frank a lift. Between the lines of all the stories about the Bean Town team is a strain of sorrow that Chance is confronted with such a huge task.

ALL THE pin busters are not in the big cities. A little while ago this column was in the vicinity of Janesville. The Knights of Columbus national tournament just closed at Milwaukee. The C. B. A. team of Jefferson, Wis., hit the word for 1,183. Of course, the count wouldn't stand in the A. B. C. but it was a good one against teams from many corners of the country.

SPRING does not appear to have sprung old ideas yet to more than a little around, but just the same how about horsehoe pitching? Southern Wisconsin had a good year in the singles last year, pitching the ball a better set of feet about a greater season in 1932. Last summer Janesville, Albany, Evansville, Stoughton, Beloit and Madison had throwers. "Deobin's" Madison is now organizing for a bigger season. Would it be possible to arrange a series of inter-city matches? There is no city in this section that has a better set of feet than the 10 at the Janesville fair grounds. Let's bring 'em on.

Jesse W. Swenson, Yale, national golf champion, will be granted leave from college to go broad with American team to compete for Walker cup with Great Britain.

Marquette basketball team chooses Richard Quinn, Milwaukee, captain. Sports About Scorpions—Johnny Williams of New York and Charles White of Chicago fought slow ten round draw and Eddie Coulton of New Orleans had a slight shade on Harold Smith of Chicago at Chicago. Monday. —George Carpenter and Marcel Niles have signed articles for a bout May 10 at Paris; Niles claims the French heavyweight championship. Charges of assault by Edding Slick withdrawn after the Senegalese offers to pay damages to waiter whom he was accused of hitting. —Though dropped in fifth for an eight-count knockout over Andy by technicality to city—Gibbons' chances of meeting Jack Dempsey, the heavyweight champion, are said to be getting brighter. —Arthur Chambers, former light-weight champion, dies in New York. —Dempsey to visit Chicago Tuesday. —Resumption of boxing at Chicago, although done by getting injured, is driving many boxers to Winnetka, where Moore, Chicago bantam who has years of experience but never won the title, may fight Pancho Villa or Frankie Genaro, the latter flyweight champion.

"Chuck" McGuire, 1921 captain Chicago football team, to coach Loyola. Olympic games for 1932 awarded to Los Angeles.

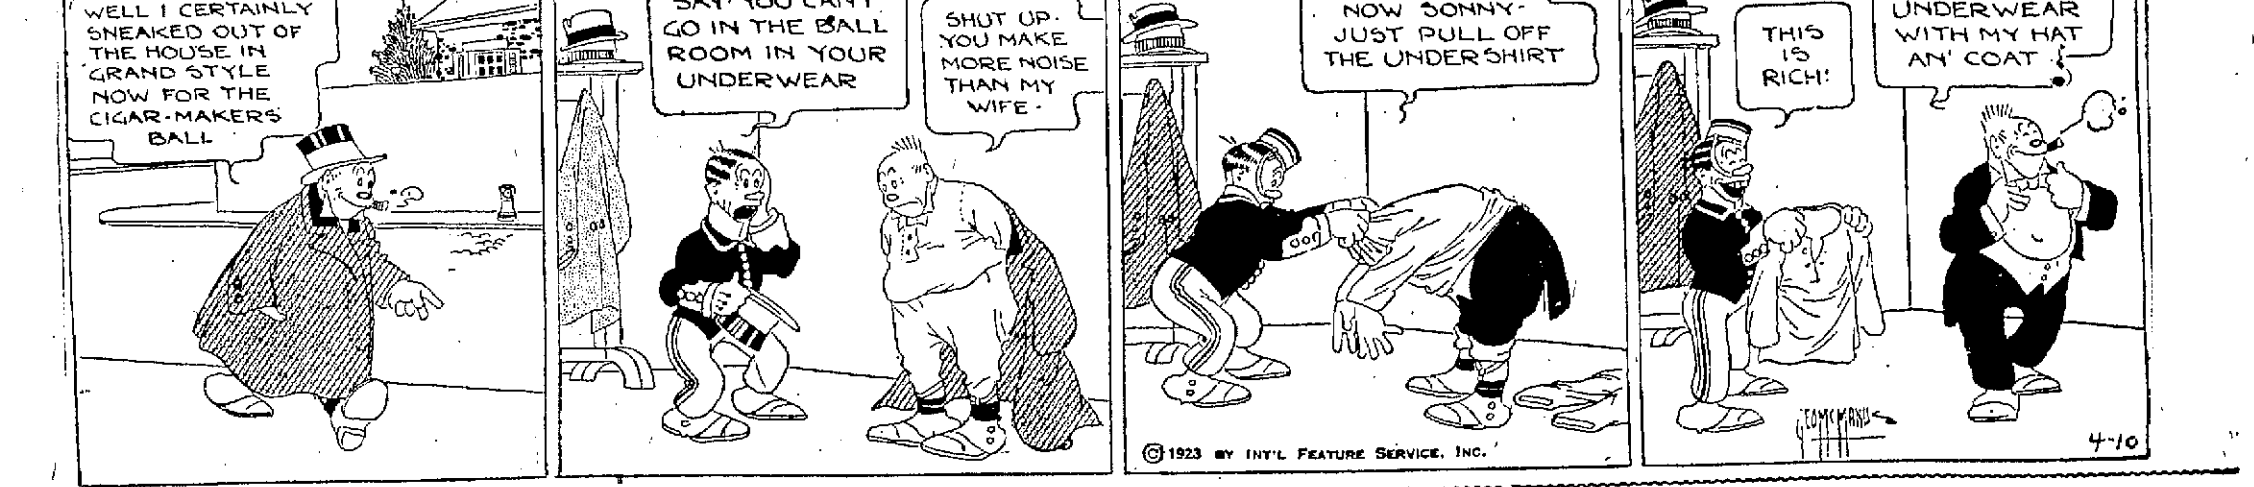

Diamond Sparkles—Kelly's second homer in the same game, coming in the eighth with two on and two out, gave Giants 5-2 win over White Sox. —Faber pitched six innings, allowing eight hits—Chicago Cubs won their eighth win at White Sox, 9-3, with five runs in the first inning. —George Grantham of Cubs, spiked, but not seriously. —Alvin Karpis, a signa-ture to White Sox contract was obtained by fraud. —Reports that George Sisti, St. Louis star, may be kept from baseball by eye trouble. —New Orleans and Nashville at odds over possession of pitcher Carl Thomas, now held by New Orleans. —Eddie Lenehan, Madison player, signed to manage Madison baseball team. —Edmund Roush, hold-out, Cincinnati outfielder, was to know Tuesday whether he would be in this year's lineup. —Peter Boehler, pitcher, purchased from the Hulsa club by Pirates for \$25,000. —Niles—Manager Killifer of Cubs, has sold pitcher Hodges and released outfielder Griggsby, first baseman Cotter and Zip Dumovich, pitcher strings on White Sox, retaining strings on the last three. —Catcher Borenide of Cubs went to Greenville, Texas, on optional recall.

Mrs. Mandarneck, Racine, rolls 278, highest score ever made by woman. Bob Canfax, three cushion billiardist, recovers from illness and is ready to play in world meet at St. Louis next Monday.

Lasker and Marshall adjourn seventh game of chess little play.

Quinn Captains Marquette Five Milwaukee.—Marquette university basketball men Monday night chose Richard Quinn of Milwaukee, a forward, as captain of the 1933 five. Letters were awarded to Manager Al. Watson and the following players: Captain Joe Dunn and Dick, Quinn, Milwaukee; W. C. Fitzgerald and Joe Devine, Fond du Lac; L. C. Morgan, Madison; Wilfred, Duford, Niagara, Wis.; Charles Schmid, Sheboygan, Ill.; John Fisher, St. Paul, Minn.; Julius Klumb, West Bend, Wis., and Francis McCormick, Antigo, Wis.

BRINGING UP FATHER

Jefferson Keglers Second in National K. C. Tourney

MILWAUKEE.—The Jefferson Knights of Columbus bit into a big piece of the prize money at the national Knights of Columbus bowling tournament which has just closed here. The G. Bransch-W. Enright pair of Jefferson wound up in second place with a count of 1,183. The meet was rolled on the local K. of C. alleys. Teams from all over the country rolled.

The Jefferson duo slipped into second place in the doubles on the final day. Jefferson scores were: Five Men—Casey No. 1864, 2,380; Doubles—G. Bransch-W. Enright, 1,183; J. Stutz, 1,037; P. Stutz-J. Walski, 1,127; F. Bauser-B. Aucher, 929. Singles—H. Walski, 595; J. Stutz, 603; P. Stutz, 501; F. Bauser, 465; B. Aucher, 465; G. Bransch, 476; W. Enright, 537.

The Santa Maria five of Chicago took first in the five men with 2,844; G. Stoch-J. Wuerl, Milwaukee, were first in the doubles with 1,224; W. Hubbel, Milwaukee, was first in singles with 700; W. Rogers, Chicago was first in the all-events with 1,835.

Moose Ball Team to Become Tanks; Plan Big Season

Reorganization of last year's Moose baseball team to play during this coming season under the support of the local tank corps was started at a meeting held Monday night. Practically the same men who played with the Moose last year will be with the organization.

It is planned to play home games in Janesville on Sundays when the Black Cat team of the southern Wisconsin league is on the road. An effort may be made to endeavor to get Bill Lathrop to twirl for the tanks.

Men who will probably play for the national guard are Bick, pitcher; Fleming, pitcher and fielder; Guts, catcher; Harmon, fielder; Wolf, first base; Graesslin, second base; Jackson, shortstop; Don Dawson, shortstop; Grimshaw, Wiener and Ryder, fielders and Pemberton, third base.

St. Patrick's Nine Now in Formation

Plans are being laid by St. Patrick's church of this city to put a baseball team into the field. If a southern Wisconsin catholic league is organized, the Janesville club will enter. Otherwise, it will play independently and appear at home on Sundays when the Janesville Black Cats are on the road.

Badgers Lose to Mississippi

Starkville, Miss.—Mississippi A. & M. college defeated the University of Wisconsin team here Monday by a score of 8 to 1. Three circuit drives were potted out by Aggie batsmen.

K. C. Meet Here Ends With New 3rd in Doubles

Knights of Columbus bowling meet took place Monday night. None of the first place holders was disturbed.

A new third place was recorded in the doubles when Roy and H. Britt pushed the wood into the pit for a count of 1,122. They were working on a combined handicap of 54 napsles, gathering 1,067 in their own names, Britt leading with a 208 count.

A. Huebel and H. Casey slipped into fifth place in the duo event with a count of 1,034, actually smashing 1,035. Huebel had high three games of 522.

In the singles, Ross Roy got 11th place with a 623 tally.

R. F. B. Cage Five in Heavy Workings for Title Contest

With but a few days remaining before the final game to decide the city basketball championship next Saturday night, the R. F. B.'s will resume practice Tuesday night. The Buggs' team is anxious to be in the finest shape for the contest, and the way they are going after the bacon, their intentions are deep-seated.

Tuesday and Thursday nights of this week, the R. F. B. team will practice at the gymnasium of the new high school. Wednesday night, they expect to get a workout at the Coliseum rink on South River street, where the title clash is to occur. James, forward, has proved work at Rockford, thus enabling him to come here each night for a workout with the outfit.

Difficulty has arisen between the teams as to choice of a referee. The matter may be decided at a meeting Tuesday night.

Efforts are being made by the R. F. B. boys to book a game with the Monroe badgers to be played at the Green county seat Wednesday night.

Port Atkinson is showing great interest in Saturday's coming contest. Both the R. F. B.'s and the Black Cats have appeared against the Port American legion at the Port this year and each team has its following in that city. It is expected that a big crowd will come down Saturday night.

VETERAN TRAINER DEAD IN STABLES
Newport, R. I.—Robert J. Gibson, for a generation a runner at Suddy Point farm and one of the best known trainers of stallions in the New England of the country, was found dead in the training stables of Reginald C. Vanderbilt Monday.

Mr. Gibson was brought from London years ago by B. Egan Jordan.
